

Global stories

Look through the newspaper that you have been given. Find a story that is **either** about a country outside of the UK **or** has a 'global' theme, e.g. an environmental theme.

Answer the questions below.

What is the story about?

Where in the newspaper does this article appear?

Can you find anything about this story in any of the other newspapers? If so where in the other newspapers does the story appear?

Do you think that this article is a positive article or a negative article? Give some examples to show whether it is positive or negative.

Global Stories

Look at your 'global' story and in the table below give some examples of facts, opinions and any bias that you can find in the story.
