

# Writing a guide for a refugee

## Writing a Town Guide

Use the concertina paper below to make a guide to your town for asylum seekers and refugees. Think about what they may need to know:

- \* Where supermarkets are
  - \* Where the hospital is
  - \* Where the bus station is
  - \* Where the train station is
  - \* Where the library is
  - \* Where the leisure centres are
  - \* Where are the places of worship
  - \* How they can find out about English classes
  - \* What is of interest in the town
  - \* What the town is famous for
  - \* What places of interest is the town near to
- 
- ✓ If you can write in a different language you may want to do a bi-lingual booklet (i.e. in two languages).
  - ✓ You may want to put opening times in.
  - ✓ Remember logos and simple drawings may help someone to understand the booklet.
